## 2. GENERAL

1. The parties to these Rules are the Customer and Littlewoods Promotions Limited ("TNFP"). The Laws of England including the Gambling Act 2005 apply to these Rules and to all Competitions conducted under them. If a Customer wishes to take court proceedings against TNFP the Customer must do so within the United Kingdom. If the Customer lives in England or Wales the laws of England and Wales shall apply and if the Customer lives in Scotland, Scottish law shall apply.
2. No one under the age of 16 years (or 18 years depending on the chosen Means of Entry) is allowed to place an Entry with TNFP or enter the Competition. TNFP reserves the right to use such checks as it may deem appropriate on a random or selective basis at any time to verify age. If age cannot be verified, or a participant is found to be under-age, then an Entry will be declared void and the Stake returned to the person who submitted that Entry. Payment of Winnings will at all times be subject to verification of age and may be suspended until such time as TNFP is satisfied that the person who submitted the Entry to which such Winnings relate is 16 years of age or older (or 18 years depending on the Means of Entry).
3. These Rules govern the relationship between TNFP and the Customer in the Competition, irrespective of their Means of Entry. If any of these Rules shall be found by any court of administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions of these Rules which shall remain in full force and effect.
4. The Customer must ensure compliance with any laws that apply in the jurisdiction in which they reside (or otherwise from where they participate in the Competition) and are responsible for ensuring that their participation in the Competition is lawful from such jurisdiction. In any event TNFP will not accept Entries from any person located in the USA. The Customer is also responsible for the payment of any tax or levy raised in any jurisdiction on Winnings awarded to them.
5. In any TNFP Competition played on the Internet, via interactive television, cable, satellite or other similar means of presentation, the server or service provider is not a Collector or agent of any Customer or for the avoidance of doubt, TNFP, but only a conduit for the Customer's Entries. Any server or service provider shall not be liable for any loss caused by failure to deliver an Entry, save where such loss is caused by its own and its agent's and/or sub-contractor's wrongful or negligent acts or omissions.
6. TNFP will not be held responsible for any incomplete, illegible, lost or delayed Entries (including where Entries are lost or delayed as a result of technical failure). TNFP will also not be held responsible for any loss or corruption of data in transit or any damage or problems caused to any telephone or computer equipment, howsoever arising, as a result of any Customer's participation in the Competition or downloading any information from the Website.
7. TNFP from time to time may make offers to existing or prospective Customers by way of promotions, competitions, lotteries games, bonuses, free entries and by way of free to enter or paying routes to prospective Customers. TNFP reserves the right to offer (and to withdraw or amend such offers) any such items to any group or groups of existing or prospective Customers at any time.

8. TNFP reserves the right to amend these Rules without notice and/or suspend the Competition and/or the payment of Winnings (including by implementing the provisions of paragraph 5.7, 5.9 and 8.7) in the event of war, earthquake, catastrophe, strikes or the occurrence of any other event beyond its reasonable control.
9. TNFP agrees to comply with the provisions of the Data Protection Act 1998. By providing an Entry to the Competition, the Customer agrees to the way in which TNFP processes their personal information. TNFP processes information about the Customer in line with the privacy policy found on the Website, a copy of which shall be provided to the Customer upon request to TNFP. Any query regarding personal data should be directed to TNFP using the contact details set out at the end of these Rules.
10. The Customer should read all Entry or other instructions published from time to time by TNFP as part of these Rules. Any additional special terms, conditions or instructions which post-date these Rules will be set out on the specific TNFP Means of Entry or will notified to the Customer by advertisement or otherwise, and should be read in conjunction with, and as part of these Rules
11. UK fixtures lists (excluding non-league clubs) and official player, match and performance data published in relation to the Competition are the copyright and database right of The Football Association Premier League Ltd / The Football League Ltd / The Scottish Premier League Ltd / The Scottish Football League, which reserve all of their rights. No part of this data may be reproduced, stored in a retrieval system or transmitted in any way or by any means (including photocopying, recording or storing it in any medium by electronic means) without the written permission of the copyright/database right owner. Applications for written permission should be addressed c/o

### **3. THE GAME**

The Competition is based on Lines which are formulated from the Customer's predictions (home win, draw or away win) for the 10 Matches on the Match Listing and therefore which Lines apply in determining whether or not the Customer has won.

### **4. MAKING ENTRIES**

1. TNFP offers a range of Means of Entry. The Customer is not permitted to call at TNFP premises to deliver their Entries. In areas where TNFP permit Collectors to collect Entries, the Customer may choose to hand their Entry to the Collector. Where an Entry is submitted via a Collector the Customer must also pay the Collector the amount required to cover the Stake for that Entry. Collectors are the agent of the Customer and not an agent of TNFP. With this in mind, TNFP shall not be liable for any failure by a Collector to submit Entries by the relevant Datum Time and if a Collector fails to submit Entries within such time the Customer's sole recourse shall be to the relevant Collector. Cheques and Postal Orders must be made payable to The New Football Pools or as otherwise stated on the particular Means of Entry. Customers who enter by any other Means of Entry, must make payment for their Entry by a credit or a debit card accepted by TNFP, or in any other way agreed by TNFP at its discretion.

2. Submission of an Entry will not be proof of receipt by TNFP. Also, proof of posting, any electronic receipt or acceptance of Stake shall not constitute proof of delivery or receipt of an Entry by TNFP. To constitute an accepted Entry, such Entry (and the predictions made for that Entry) must be:
  - i. recorded on TNFP central computer system (for which purpose does not include being recorded on a Collector's own computer system); and/or
  - ii. received at TNFP premises in Liverpool by Datum Time. Any Entry received after Datum Time will not be accepted by TNFP and will be invalid.
3. Where the Means of Entry is in writing predictions must be made in blue or black ink.
4. TNFP reserves the right to record for security or training purposes, any Entry made by telephone and any such recording will remain the property of TNFP.
5. The Customer must ensure that their Entry contains no ambiguity or difficulty in interpretation so that:
  - i. it is clear to TNFP before the Competition Date how many Lines are entered; and
  - ii. it is clear to TNFP after the Results of the Matches on the Match Listing are known, which and how many Lines in that Entry are winners.
6. TNFP reserves the right not to accept Entries that are illegible, incomplete or cannot be checked reasonably easily for winning Lines or those that require extraordinary processing by TNFP regardless of whether an Entry is mathematically correct.
7. Any Entry which is not made in accordance with these Rules will be invalid unless TNFP agrees otherwise in respect of the particular Entry.
8. For the avoidance of doubt, TNFP is under no responsibility and accepts no liability of any kind whatsoever for an Entry (however submitted) or Stakes

associated with an Entry until the same are received and accepted by TNFP in accordance with these Rules.

9. The Customer acknowledges and agrees that TNFP shall not be under any obligation or responsibility to notify the Customer of an Entry that is invalid or void under these Rules.

## **5. DIVISION OF POOLS**

1. In accordance with the Gambling Act 2005 the total Prize fund for the Pool will be the total amount of the Stakes entered in the Pool less:
  - i. pool betting duty and/or any other taxes, duties or statutory deductions thereon; and
  - i. such percentage as may be determined by TNFP, published retrospectively retrospectively online at [www.footballpools.com](http://www.footballpools.com) to cover commission and expenses.
2. TNFP will declare the dividend payable in respect of the Pool for each of the Prizes by reference to the full Stake per Line of £1. TNFP will publish details of the dividend payable on the Website.
3. The percentage of the Pool allocated to each Prize level shall be determined by TNFP. All dividends declared are subject to rescrutiny.
4. Each Prize fund is divided amongst all winning Entries at that level (save in relation to free offers where Stakes shall be deemed to be the full amount that would have been paid if the relevant Entry had not been made on the basis of a free offer) by reference to the number of winning Lines at that Prize level.
5. Winners with 9 or 10 correctly predicted Results (i.e. home win, draw or away win) will receive the declared winning amount for 9 or 10 correctly predicted Results respectively as shown on TNFP Results page on the Website for the relevant Competition Date.

6. If there is no winner with 9 correctly predicted Results the Prize fund for this level will be added to the Prize fund for 10 correctly predicted Results. If there is no winner with 10 correctly predicted Results the Prize fund at this level will be rolled over to the next Premier 10 1st Prize fund.
7. If any dividend is less than £2, TNFP may decide for administrative reasons that the relevant dividend (and any subsequent Winnings) should not be paid and the Prize fund for this level will be added to the remaining Prize fund. If the Prize for 10 correct is less than £2 and is not to be paid, the Competition will be declared void (in which case all relevant Stakes will be refunded or, where possible, applied in full or in part to the Customer's next Entry(ies)).
8. If TNFP discover more winners after a declared dividend has been paid, TNFP will still pay Winnings to such persons, save that TNFP shall pay to such persons the Winnings to which they would have been entitled if their winning Entry (together with all other post-declared dividend payout winning Entries) had been included at the time at which the declared dividend was paid (i.e. according to an amended dividend to that which was originally declared).
9. If in the opinion of TNFP it is not possible to administrate and distribute the Pool within a reasonable time due to circumstances beyond TNFP's reasonable control TNFP may decide to declare the Pool void (in which case all relevant Stakes will be refunded or, where possible, applied in full or in part to the Customer's next Entry(ies)).

## **6. PRIZES**

1. There are two Prizes:
  - 1<sup>st</sup> (10 correctly predicted Results)
  - 2<sup>nd</sup> (9 correctly predicted Results)
2. Each Line can only qualify for one Prize.
3. The estimated Prize fund, jackpot and Prize breakdown levels displayed on the Website relating to Premier 10 are only

estimates. Actual Prize funds will be determined once all Entries have been accepted by TNFP and Prizes will be determined once the actual number of winning Entries are verified.

## **7. WINNINGS**

1. TNFP will usually pay Winnings without the Customer needing to claim. However if an Entry is submitted through an authorised remote terminal system which issues a printout with the details of the predictions, any Winnings will be paid only as follows, unless TNFP notifies the Customer otherwise:
  - i. an authorised outlet will pay the Winnings to whoever presents the winning printout if they are within the limits TNFP has previously agreed with that outlet and subject to TNFP's standard validation process; or
  - ii. if the Winnings are above the limits TNFP has previously agreed with the outlet, TNFP will pay Winnings upon receipt of a completed claim form from the Customer as issued by an authorised outlet or the original printout.
2. Under normal circumstances (and save as set out above) TNFP will endeavour to pay Winnings no later than seven days following the date of the last Match played.
3. Any query regarding Winnings should be made within six weeks from the relevant Competition Date to which such query relates and directed to TNFP using the contact details set out at the end of these Rules.

## **8. MATCHES NOT STARTED OR NOT PLAYED AS PRINTED**

1. The team on the left of the Match Listing will be deemed to be the home team and the team on the right the away team. A Match will stand as shown on a Match Listing even if:
  - i. it is actually played on a neutral ground; or
  - ii. the venue of the Match is reversed.
2. If a Match is abandoned TNFP will use the score at the time when it is abandoned as the final Result.
3. TNFP does not consider extra time as part of the Match and the score at the end of normal play is taken as the final Result.
4. A Match played on the Competition Date between a team printed on the left of the Match Listing and a team printed against it on the right of the Match Listing will stand as printed no matter what type of game it is or under whose jurisdiction it is played, unless it is determined to be a Void Match in accordance with paragraph 8.5 and 8.6 below.
5. If in any Match two teams are printed as alternatives in either the left and/or right of the Match Listing, this will mean that the relevant team will be decided by the outcome of a football game played before the Competition Date. This will become a Void Match if the relevant team is not decided before that Competition Date.
6. If any Match listed on the Match Listing is not played within 72 hours following the Competition Datum Time, the Pools Panel will meet to agree a notional Result in respect of such Match, except in the following circumstances (where the relevant Match will be declared to be a Void Match):
  - i. any Match completed before the Competition Date;
  - ii. any Match, which because of exceptional circumstances TNFP have formally notified the media is one on which the Pools Panel will not determine a notional Result;
  - iii. any Match declared to be a Void Match under 8.5 above.

7. TNFP reserves the right to declare a Competition as void if TNFP considers (acting reasonably) that not enough Matches are played on the Competition Date to declare a dividend (in which case all Stakes will be refunded or, where possible, applied in full or in part to the Customer's next Entry(ies)).

## **9. DISQUALIFIED ENTRIES**

1. For the avoidance of doubt, TNFP has total discretion to refuse to accept or to disqualify an Entry if in TNFP's opinion such Entry:-
  - i. is not accompanied by the correct Stake,
  - ii. is not received and accepted by TNFP in accordance with these Rules or the genuineness of the Entry is doubtful,
  - iii. is sent in by a person under the age required for the particular Means of Entry,
  - iv. is made by or on behalf of an employee of Sportech PLC group of Companies, or anyone acting in concert with such employee,
  - v. is not completed in blue or black ink if the Means of Entry is in writing,
  - vi. is incomplete, incorrectly completed, ambiguous, illegible or indecipherable;
  - vii. is from whatever cause torn off or damaged; or
  - viii. there is a breach of any of these Rules in relation to an Entry.
2. Any Stake received in respect of a disqualified Entry will be refunded, or (at TNFP's discretion) applied in full or in part to the Customer's next Entry(ies).
3. TNFP may request that any Winnings paid on a disqualified Entry to be repaid to TNFP and the Customer shall promptly make such repayment.

## **10. DISPUTES**

1 If the Customer wishes to make a complaint regarding the Competition the Customer should submit their complaint in writing as soon as is reasonably practicable. In the first instance, all claims / disputes should be raised with the TNFP Customer Services Department using the contact details set out at the end of these Rules. If there is a dispute arising from these Rules, or otherwise in connection with the Competition which cannot be resolved by our customer service team, it should be referred, prior to taking any other steps, for adjudication by the Independent Betting Adjudication Service (IBAS). ## **11. RULE AMENDMENTS**
